

*Broccoli and Cheese, **YUCK!***

I do not eat broccoli and cheese.
I do not like them, Dee Dee, you see.
I could not, would not, in the sky.
I will not, will not, with a fly.
I will not eat them in the car.
I will not eat them with a star.
I would not, could not, in a tree.
I could not, would not, with a bee.
I will not eat them with a pig.
I will not eat them in a wig.
I will not eat them near or far.
I will not eat them in a car.
I do not eat broccoli and cheese!
I do not like them, Dee Dee, you see!
