

*Fried Peas, **YUCK!***

I do not like to eat fried peas.
I do not like them, Mr. Sneeze.
I could not, would not, on a chair.
I will not, will not, with a bear.
I will not eat them in the hail.
I will not eat them on a trail.
Not in the park! Not at school!
Not on the bus! You silly fool!
I do not like them with a cat.
I do not like them in a hat.
I will not eat them in a truck.
I will not eat them with a duck.
I do not like to eat fried peas!
I do not like them, Mr. Sneeze!
