

*Crocodile, **YUCK!***

I do not like to eat crocodile.

I can not eat it with a smile.

I could not, would not, if on trial.

I will not, will not, with Grandma Nile.

I will not eat them in a house.

I will not eat them on a couch.

Not in the park! Not with a duck!

Not in the dark! Not in a truck!

I do not like to eat crocodile!

I will not eat it with a smile!
