

*Mushrooms, **YUCK!***

I do not like to eat mushrooms.
I do not like them, Mrs. Moon.
I could not, would not, on a desk.
I will not, will not, with the best.
I will not eat them in the hail.
I will not eat them on a pail.
Not in the dark! Not in a hall!
Not in a car! Not at the mall!
I do not like them on a couch.
I do not like them in my house.
I do not like to eat mushrooms!
I do not like them, Mrs. Moon!
