

*Mac-n-Cheese, **YUCK!***

I do not like to eat mac-n-cheese.

I do not like them, Aunt Louise.

I would not, could not, with a guy.

I could not, would not, with a fly.

I will not eat them in a tie.

I will not eat them if outside.

I could not eat them at Lakeside.

I will not eat them with a TV guide.

I do not like to eat mac-n-cheese!

I do not like them, Aunt Louise!
