

*Sweet Pickles, **YUCK!***

I do not like to eat sweet pickles.

I do not like them, Mrs. Tickles.

I could not, would not, in a lot.

I will not, will not, with a robot.

I will not eat them in the sun.

I will not eat them on the run.

Not in the light! Not at hole!

Not on a bike! Not in a bowl!

I do not like them while wearing socks.

I do not like them with an ox.

I will not eat them while I walk.

I will not eat them when I talk.

I do not like to eat sweet pickles!

I do not like them, Mrs. Tickles!
