

Black Cherries, YUCK!

I do not like to eat black cherries.

I do not like them mother, Sherry.

I could not, would not, at five.

I will not, will not, after a dive.

I will not eat them with a monkey.

I will not eat them while dancing funky.

Not in the light! Not in a cone!

Not in a tunnel! Please, leave me alone!

I would not eat them if wearing a blouse.

I would not eat them in my house.

I will not eat them with a bat.

I would not like them on my hat.

I do not like to eat black cherries!

I do not like them mother, Sherry!
