

*Very Hot Chili, **YUCK!***

I do not like very hot chili.

I do not like it, Madam Milly.

I could not, would not, on a hill.

I will not, will not, with Uncle Bill.

I will not eat it in a pool.

I will not eat it with a ghoul.

Not in the dawn! Not in the mud!

Not at dusk! Not with my bud!

I will not eat it with a ghost.

I will not eat it I must boast!

I will not eat it with my mom.

I do not like it when I'm calm.

I do not like it left or right.

I do not like it in the night.

I do not like very hot chili!

I do not like it, Madam Milly!
