

*Spinach and Cheese, **YUCK!***

I do not eat green spinach and cheese.  
I do not like them, please, please, please.  
I could not, would not, in a pool.  
I will not, will not, when I'm cool.  
I will not eat them on the road.  
I will not eat them with a toad.  
Not in the pond! Not on a train!  
Not with my mom! Don't complain!  
I do not like them by a bridge.  
I do not like them in a fridge.  
I will not eat them in a cup.  
I will not eat them with a pup.  
I do not eat green spinach and cheese!  
I do not like them, please, please, please!
