

*Red Tomatoes, **YUCK!***

I do not like to eat red tomatoes.
I do not like them, Mrs. Klaydo.
I could not, would not, while I float.
I will not, will not, with a coat.
I will not eat them with a toad,
that I most certainly would not hold.
Not in the dark! Not on a plane!
Not in a car! Not with Xane!
I do not like them in a box.
I do not like them with Mr. Cox.
I do not like to eat red tomatoes!
I do not like them, Mrs. Kaydo!
