

*Creamed Peas, **YUCK!***

I do not like to eat creamed peas.
I do not like them, Shelly Leas.
I could not, would not, on a log.
I will not, will not, with a dog.
I will not eat them in the snow.
I will not eat them don't you know.
Not in the light! Not in the dark!
Not in a plane! Not in the park!
I do not like to eat creamed peas!
I do not like them, Shelly Leas!
